Vikash-OPELIP-BDA-Mudulipada

Dalpatiguda Village Situated in Interior part of Badadural Gram Panchayat under Khairaput Block of Malkangiri District. Total 52 nos. Households of Gadaba S.T. Community is residing with very poor social economic background.

For processing the commodity like paddy, Raggi, Suan, the Ladies community are utilising their traditional tribal process. Same villagers are taking their product to Gobindpalli, which is 22 Km away from the village for milling their product. In rainy days, stormy days villagers are facing lot off troubles like 4 to 5 times up down fail our of electricity absence of mill owner etc.

After lunching OPELIP Project in khairaput Block, Villagers of Dantaypada demanded Mini Milling Unit in H.H Survey time BDA Staff, Project Manager, Project Leaders & Vikash NGO staff discussed among themselves from various direction li electricity availability product availability etc, and decided One milling unit will essential at dalpatiguda village procurement committee decided two types of milling unit, one in Paddy Unit 3 H.P and Raggi Unit 2.5 H.P (from Raggi Unit Villagers can milling wheat Rice,raggi,chilli,Haladi and can policed suan) in entry point Activity Component NGO arranged village meeting . Discussion taken in presence of BDA Staff and NGO Staff. Villagers Promised to give handhold supports to BDA and FNGO. Regarding installation of milling unit villagers provide those where the unit install. They will maintain register day wise and collect RS 2/- Per paddy Kg and RS 3/- Per Raggi Kg Milling. Collection money will deposited in VDC other A/c. One operates in engaged and miner repair work held by operator and monthly meeting adulated their accounts.

Now villagers of Dalpatiguda are very pleased they are telling Difficulties gene operaturity came. OPELIP Project, BDA, FNGO Staff keep up our wards and fulfil our wants. Without their support we are unable to installed this milling unit, we are milling Paddy,Raggi Policed suan,milling turmeric rice etc.Now we have no wards to speak so thanks to OPELIP, Thanks to BDA and Vikash FNGO.
